47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly urge you to help ensure a competitive market so customers like myself can select which provider I would like to use knowing that all providers have access to the latest technology possible.

Broadband is critical to my home and business. I depend on fast internet speeds and want to be able to have access to fiber technology with the internet service provider of my choice.
